Student at Marwadi University  
Rajkot, Gujarat, India

## Summary

As an experienced front-end web developer, I possess a deep understanding of web technologies and a passion for creating visually appealing and user-friendly interfaces. With a solid foundation in HTML, CSS, and JavaScript, I have successfully implemented responsive designs and interactive features to enhance user experiences across various devices. My proficiency extends to popular front-end frameworks and libraries such as React, Angular, and Vue, enabling me to build dynamic and scalable applications. Collaborating closely with designers and back-end developers, I am adept at turning wireframes and mockups into fully functional websites. My constant drive for learning and keeping up with industry trends empowers me to deliver cutting-edge solutions that exceed expectations.
